**RED WINE BLEND**

CALIFORNIA

## VINEYARD INFORMATION

Our unique 2014 Red Wine Blend was sourced from Lodi where Zinfandel grapes thrive in the heat of summer and early fall, resulting in a rich, bold wine. We then harmonized these robust flavors with cooler climate sourced grapes from California's Central Coast and North Coast vineyards, enhancing the wine's exquisite complexity.

## WINEMAKING

The base of our Red Wine Blend is Zinfandel and Merlot, giving the wine a smooth fruity taste. This is delicately balanced with Cabernet Sauvignon and Syrah, which enhances the wine's mouthfeel and produces depth on the palate. Our winemakers then elevate the Red Wine Blend using French and American Oak to complete the intricate flavor bouquet.

## TASTING NOTES

Montevina Red Wine Blend has aromas of distinct berry fruit and hints of vanilla. Rich, velvety flavors of strong berry and cherry fruit are complemented by the taste of sweet spice and toasty oak notes. This plush collection of flavors produces an excellent medium weighted wine with a soft lingering finish.

## VARIETAL INFORMATION

37% Zinfandel  
32% Merlot  
20% Cabernet Sauvignon  
11% Syrah
